

How can I stop paying foreign VAT?

Net of VAT invoicing

IDS can invoice you exclusive of foreign Vat for most European fuel drawings. IDS understand how factors such as, increases in the cost of diesel, can affect your business.

The NOVI scheme is available to all IDS customers and will help you by removing the burden of foreign VAT on fuel purchases made through IDS.

To qualify for the service, all you need to do is uplift the minimum quantity of fuel required for each of your selected countries. In return IDS will charge a small fee to cover administration costs.

How can NOVI help?

- NOVI will save you money by enhancing your cash flow and improving your liquidity thus reducing your finance cost.
- NOVI will save you time by reducing your administration burden leaving you free to concentrate on doing the things that really matter to your business.

VAT recovery

IDS offer the NOVI scheme in conjunction with BHI International, a VAT Recovery Agent who will act as your agent in VAT recovery matters. BHI International have been selected for their expertise in VAT recovery throughout Europe and their reputation for excellent customer service.

Make life easier for yourself... let IDS make paying VAT a thing of the past.

If you are interested in joining the IDS NOVI Scheme please contact your IDS representative or BHI.
